

WORLDWIDE TRAVEL & TOURISM S.A.L. (WWTT)

SUSTAINABILITY POLICY

In alignment with the United Nations Global Compact (UNGC), ISO 9001 & ISO 14001 Standards

1. Purpose

This Sustainability Policy formalizes WWTT's structured, measurable, and continuously improving approach to sustainability in alignment with the United Nations Global Compact (UNGC), the UNGC Academy, the Sustainable Development Goals (SDGs), ISO 14001 Environmental Management Systems, and ISO 9001 Quality Management Systems. It reflects WWTT's demonstrated commitment to global sustainability leadership, evidenced by our active participation in all UNGC Academy trainings and surveys and our recognition through the UN Lebanon Network Faster Forward Award.

2. Scope

This policy applies to all WWTT employees, contractors, suppliers, and business partners. Also, to all operational domains including travel management, logistics, corporate events, UN operations, and humanitarian mission support. As well as to all geographic locations in which WWTT operates.

3. Policy Statement

As an active and engaged member of the UN Global Compact, WWTT integrates sustainability into its governance, strategic decision-making, procurement, operations, HR practices, and partner engagement.

We commit to:

- Systematically embedding the Ten Principles of the UNGC across human rights, labor, environment, and anti-corruption
- Maintaining a Performance Improvement Cycle aligned with ISO standards
- Publishing high-quality annual Communication on Progress (CoP) reports
- Participating in UNGC Academy capacity-building programs and applying the latest global sustainability methodologies
- Demonstrating excellence and innovation in sustainability, as recognized through our Faster Forward Award.

4. Key Commitments

Area of Commitment

WWTT Actions

Environmental Sustainability

- Conduct annual carbon footprint assessments with year-on-year reduction targets.
- Implement low-carbon travel planning, route optimization, and hybrid/virtual events to reduce Scope 3 emissions.
- Ensure all offices adopt energy-efficient systems and progressively transition to renewable-source electricity.
- Apply circular economy principles: eliminating single-use plastics, prioritizing reusables, and integrating waste-segregation programs.
- Maintain full compliance with Lebanese and international environmental legislation and ISO 14001 requirements.

Social Sustainability

- Uphold all UNGC labor principles, including strict non-discrimination, gender equality, and fair labor practices.
- Implement structured employee development plans, mandatory sustainability training, and UNGC Academy learning modules.
- Strengthen occupational health & safety (OHS) systems aligned with international standards.
- Support community development initiatives particularly in education, youth employment, and women's empowerment.
- Maintain transparent grievance mechanisms ensuring protection from retaliation.

WORLDWIDE TRAVEL & TOURISM S.A.L. (WWTT)

Economic Sustainability

- Integrate sustainability criteria in all tendering, vendor assessments, and contract renewals.
- Ensure financial transparency, ethical governance, and strong internal controls aligned with ISO 9001 requirements.
- Apply zero-tolerance policies for bribery, fraud, and corruption consistent with UNGC Principle 10.
- Conduct annual audits of procurement, vendor integrity, and ESG compliance.

Supply Chain Sustainability

- Require suppliers to sign WWTT's Sustainability & Ethics Code of Conduct.
- Assess suppliers on environmental performance, labor practices, and anti-corruption risk.
- Prioritize partnerships with vendors demonstrating alignment with SDGs and local community impact.
- Conduct sustainability due diligence for high-risk suppliers, including corrective action plans.

Continuous Improvement & Reporting

- Participate annually in all UNGC Academy training programs, capacity-building modules, and global surveys.
- Publish a high-standard UNGC Communication on Progress (CoP) every year, highlighting performance against KPIs.
- Implement quantitative sustainability KPIs with internal dashboards reviewed quarterly.
- Benchmark WWTT against leading global sustainability standards and updating our systems accordingly.
- Leverage lessons learned and best practices shared through the Lebanon Network Faster Forward Award and peer exchange programs.

5. Implementation & Responsibilities

- Senior Management ensures resources, governance oversight, and alignment with UNGC and ISO requirements.
- The Sustainability Officer monitors KPIs, prepares CoP reports, and leads training initiatives.
- All Employees must comply with sustainability practices and complete UNGC Academy learning modules.
- Suppliers & Partners must meet WWTT's sustainability and ethical procurement requirements.

6. Communication

This policy will be communicated to all employees, partners, and suppliers, published on WWTT's website, and distributed to UN agencies, NGOs, and corporate clients upon request. It is reviewed annually to ensure alignment with new legislation, United Nations standards, and evolving ESG-related global trends.

7. Certification & Review

WWTT maintains ISO certifications and continuously updates its management systems, reviewing this policy every 12 months or following significant regulatory or strategic changes, with all updates incorporated into the UNGC CoP submission cycle.
