

WORLDWIDE TRAVEL & TOURISM S.A.L. (WWTT)

WORK HEALTH & SAFETY POLICY

Aligned with UN System Standards, ISO 14001, and International Occupational Health & Safety Best Practices

1. Purpose

This Work Health & Safety Policy establishes WWTT's commitment to maintaining a safe, healthy, and compliant work environment for employees, contractors, visitors, and partners. It aligns with UN health & safety requirements, ISO 14001 Environmental Management Systems, and global OHS standards.

2. Scope

This policy applies to all WWTT offices, employees, contractors, third-party service providers, visitors, and all operations conducted in Lebanon and globally.

3. Policy Statement

WWTT is committed to preventing occupational injuries, illnesses, and hazards by implementing proactive safety measures, complying with national and international regulations, and maintaining alignment with UN and ISO frameworks. We foster a safety-first culture where every individual is responsible for contributing to a safe working environment.

4. Key Commitments

Area of Commitment	WWTT Actions
Fire Safety	Fire escape routes, evacuation drills, fire extinguishers, staff fire-response training.
Risk Prevention	Hazard identification, risk assessment, corrective action plans, Personal Protective Equipment usage.
Health Monitoring	Air quality checks, ventilation assessments, ergonomic evaluations.
Insurance & Compensation	Full insurance coverage, compliant injury reporting procedures, legal adherence.
Hygiene & Sanitation	Daily cleaning, waste management, and hygiene supplies across all offices.

WORLDWIDE TRAVEL & TOURISM S.A.L. (WWTT)

First Aid Preparedness	Accessible first aid kits, trained responders, regular refresher training.
Employee Participation	Staff reporting on mechanisms and consultative feedback channels.
UN & ISO Alignment	PSEA training, anti-harassment commitments and ethical behavior.

5. Roles & Responsibilities

- Management: Provide resources, enforce regulations, ensure compliance with UN & ISO standards.
- Supervisors: Monitor safety practices, guide staff, enforce policies, and manage hazards.
- Employees: Follow safety rules, report risks, wear required PPE, participate in mandatory WHS training.

6. Monitoring & Reporting

WWTT conducts regular WHS inspections, audits, and drills to ensure compliance with safety standards. All incidents are documented, investigated, and used to implement corrective and preventive actions.

7. Policy Review

This policy will be reviewed annually to ensure continued alignment with UN requirements, vendor safety standards, ISO 14001, local and international labour laws, and feedback from employees and management.

8. Endorsement
