

WORLDWIDE TRAVEL & TOURISM S.A.L. (WWTT)

WHISTLEBLOWING GOVERNANCE POLICY

This Policy has been prepared with the support and review of the Company's External Legal Counsel and formally approved by the Board of Directors

WHEREAS

Worldwide Travel and Tourism S.A.L. (WWTT) is committed to upholding the highest standards of integrity, transparency, and ethical conduct during its activities.

WHEREAS, WWTT has established a whistleblowing reporting channel to enable the reporting of suspected misconduct, fraud, corruption, or unethical practices.

WHEREAS it is necessary to define a clear governance framework ensuring confidentiality, independence, and proper handling of such reports in line with internationally recognized compliance standards;

THEREFORE, the present framework is adopted as follows:

1. Purpose and Scope

This document sets out the governance rules applicable to the whistleblowing reporting channel established by Worldwide Travel and Tourism S.A.L. within the Internal Control Manual.

It aims to ensure:

- The confidentiality of reports and reporting people.
- The independence and integrity of the review and investigation process.
- The proper limitation of access on a strict need-to-know basis.

2. Designated Persons and Competence

The receipt, review, and investigation of whistleblowing reports shall be strictly limited to the following designated people:

- The Integrity Officer.
- The Advisor to the Board.
- The External Legal Counsel of the Company, acting in an independent advisory capacity.

The above-designated people shall have exclusive authority to:

- Access the content of reports.
- Conduct or supervise investigations.

WORLDWIDE TRAVEL & TOURISM S.A.L. (WWTT)

- Recommend or implement appropriate corrective or disciplinary measures.

No other person within WWTT shall have authority to access or intervene in the handling of whistleblowing reports.

3. Confidentiality and Protection of the Process

All reports submitted through the whistleblowing channel shall be treated as strictly confidential.

Any disclosure, access, or use of information contained in such reports outside the scope of this framework is strictly prohibited.

Any form of interference, obstruction, undue influence, or retaliation in relation to the whistleblowing process is prohibited and shall give rise to disciplinary and/or legal action.

4. Administrative Oversight of the Reporting Channel

The Board of Directors, acting collectively, shall retain administrative oversight over the whistleblowing reporting channel. Such oversight shall be strictly limited to:

- Ensuring the operational continuity of the reporting mechanism.
- Maintaining its technical integrity and availability.
- Exercising general governance supervision.

For the avoidance of doubt, such administrative oversight:

- Does not confer any right to access, review, or monitor the content of whistleblowing reports.
- Shall not interfere with the independence of the designated people.
- Shall be exercised in full respect of confidentiality obligations.

5. Custody of Access Credentials and Exceptional Access

Access credentials to the whistleblowing reporting channel shall be strictly limited and controlled to preserve the confidentiality and integrity of the reporting mechanism.

The primary access credentials shall be held exclusively by the designated people responsible for the receipt and handling of whistleblowing reports, as defined under this Framework.

A secure copy of the access credentials may be retained under the custody of the External Legal Counsel, acting as an independent and neutral custodian, for continuity and safeguard purposes.

One designated member of the Board of Directors may be identified, solely for contingency purposes, as a secondary custodian of access to credentials.

WORLDWIDE TRAVEL & TOURISM S.A.L. (WWTT)

The Board-designated custodian:

- Shall not access, use, or attempt to access the whistleblowing reporting channel under any circumstances on an individual basis.
- Shall be strictly prohibited from accessing the content of any report.
- Shall act solely as a passive holder of credentials for exceptional situations.

Any access by the Board-designated custodian shall be permitted only upon prior collective approval of the Board of Directors, and External Lawyer duly recorded in writing, and strictly limited to:

- Technical or operational continuity purposes.
- Restoration of access in case of system failure or unavailability of designated persons.

Under no circumstances shall such exceptional access extend to the review, reading, or monitoring of whistleblowing reports or their content.

Any activation of such access shall be documented, justified, and limited in scope and duration, to ensure full traceability and compliance with confidentiality obligations.

6. Independence and Conflict of Interest Safeguards

The whistleblowing process shall be conducted independently from management and any other operational function of the Company.

If a report concerns members of senior management or the Board of Directors, the External Legal Counsel shall assume an active and independent role in the handling and oversight of the matter.

All actions taken in connection with whistleblowing reports shall be duly documented to ensure traceability and accountability.

7. Compliance Statement

This framework is established in accordance with recognized international best practices relating to whistleblowing and compliance systems, including principles of confidentiality, independence, accountability, and protection of reporting people.

Worldwide Travel and Tourism undertake to implement and maintain this framework in good faith and in a manner consistent with applicable laws and regulations.

WORLDWIDE TRAVEL & TOURISM S.A.L. (WWTT)
